Dinner Given In Honor of Mrs. B. Kohlhausen

An informal dinner was given Saturday at 6 o'clock in Lincoln-Wood Drive-In by the directors and employees of the Frankfort State bank honoring Mrs. Beulah Kohlhausen who has been a salaried cashier of the bank for a number of years. Mrs. Kohlhausen resigned from that position, effective April 1, because of pressing duties at home.

Preceding the dinner Albert H. Krusemark, president of the bank, speaking in behalf of those present, praised Mrs. Kohlhausen and her efficient work during these years and expressed their regrets of her leaving. All wished her happiness in her future.

A gifts was presented to her from the group.

Al Hochberger, cashier of the bank, offered grace preceding the dinner. Present were, Mr. and Mrs. Albert Krusemark, Mr. and Mrs. A. C. Bauch, Mr. and Mrs. A. J. Heuser, Mr. and Mrs. Herman Barlow, Mr. and Mrs. Al. Hochberger, Mrs. W. H. Cave, Mrs. Elizabeth Wishover, Mr. and Mrs. Herbert Minger, Ruth Minger, Mr. and Mrs. Charles McManimen and Mr. and Mrs. Fred Kohlhausen.

To Vote For 3 Members to High School Board Sat.

Saturday is school election day, when each district in this area will vote for members of school boards as well as for our new high school, the Lincoln-Way high school. The same polls will be used, and at the same time as local school elections.

Running for members of the Board of Education to serve a term of three years are three members who are candidates for reelection. They are Albert H. Krusemark, Jr., Frankfort, Lawrence Kohl, Mokena and George Bovee, Manhattan three to be elected. Each have served well during this critical time of building and establishing the high school and deserve the confidence of citizens in its district of 210 to be reelected.

Cancer Committee Sparks April Drive

Mrs. Stanley Johnson, Frankfort, had a meeting Monday for members of the Cancer committee. A house to house canvass will be made this month for white material for dressings. Anyone who wishes to donate may call any member of the committee, consisting of Mrs. Johnson, Mrs. Harold Ebert, Mrs. Harry Miller, Mrs. Walter Grote, Mrs. Walter Carter, Mrs. Steve Studnicki, Mrs. Walter Schoen, Mrs. Lloyd Heiser and Mrs. Herbert Bixler. Any individual or organization wishing to cooperate in raising funds or making dressings will be welcome.

Ralph Morrison Weds Joliet Girl

Wedding promises were exchanged March 20 by Norma Berggren, daughter of Mr. and Mrs. R. W. Berggren, Joliet and Ralph C. Morrison, son of Mr. and Mrs. Elmer D. Morrison, Mokena.

The service was solemnized in the Bethel Baptist church by Rev. Reuben L. Dahl, pastor, before an altar decorated with white gladioli, snapdragons and carnations. Organ music was played by Mrs. Howard Anderson and Ernest Lundin, Chesterton, Ind. was soloist.

The bride, given in marriage by her father, wore a portrait gown of white satin and Chantilly lace with illusion neckline. Her bouffant skirt of satin and lace had a cathedral train, and her fingertip veil was held by a tiara of lace and seed pearls. She carried white mums, stephanotis and ivy, centered with a white orchid. Her single strand of pearls and matching earrings were a gift of the groom.

Helen Sandeenas, maid of honor, wore a Nile green ballerina gown of tulle over taffeta with a cape stole and full skirt. Her tulle crown had tiny brilliants and she carried feathered yellow carnations.

Bridesmaids, Mrs. Ralph Berggren, sister in law of the bride, and Marilyn Scott, were gowned in maize and carried feathered yellow carnations and purple hyacinths. Mrs. James House and Charlotte Linden were candlelighters. Paula Jean Morrison was flower girl, Michael Reese Morrison, the groom's nephew, served as ring bearer.

Best man was Reese Morrison brother of the groom, and ushers were Ralph Berggren, Richard Sievers, Glen Rovenhagen and Donald Linden.

Mrs. R. W. Berggren chose

SAM CAMPBELL TO LECTURE AT FRANKFORT

"California and Hawaii," will be presented by Sam Campbell, philosopher of the forest, at 8 o'clock tonight in the Frankfort school gymnasium. He will appear under the auspices of the Frankfort Lions club, which invites the public to attend. There will be a nominal admission charge.

During his 23 years in the lecture field, Mr. Campbell has made nearly 200,000 feet of motion pictures. He is best known for his work in gaining the friendship of forest animals at his northern Wisconsin forest home. He also is the author of many nature books, the latest of which are "The Seven Secrets of Somewhere Lake" and "Nature's Messages."

Lyman Teague and Robert Geuther are the candidates running for the office, two to be elected.

Mokena Board OK's Play Ground and County Dog Plan

The Mokena village board which met Tuesday night made plans to replace broken and washed out tile in the northwest corner of the former Hirsch farm just north of Sunny Acre subdivision. The board allocated \$400 for this purpose which will include a new steel culvert to help overcome water problems in heavy storm periods and to make better drainage.

The board reversed their opinion given previously to Ray Walls which did not permit him to build a house on Bonness street, giving as their reason the street was not wide enough for a house. Upon investigation the board discovered that in laying out that area of land in the village that Mrs. Bonness donated enough ground so that a street in that location could be a reasonable wide street. Those lots were subdivided before the present village building code was compiled. The property abstract shows lots of sufficient size to allow a house to be built which would allow enough depth of frontage. This street would also converge with a street in the Robinson subdivision.

Dr. George Lingerich, Mokena veterinarian was present and stated that according to the State Rabies Control law, each county must set up its own rabies control program. Each township or adjoining townships will have a dog warden. Tentative plans are for naming Manhattan, Frankfort, New Lenox and Homer townships as a unit to combine to have a dog warden. Deputies can be appointed to assist him. After June 1 when this new law becomes effective, dogs will be licensed by the county and the assessors will issue the license taking that obligation away from villages.

Schedule Holy Week Services in Joliet

"Half Hour With God," noon-time Holy Week services, will be conducted in the Ottawa Street Methodist church, Joliet under the auspices of the Will County Ministerial association.

They will begin at 12:20 p.m. and end at 12:50 p.m. Rev. Lester H. Laubenstein is in charge of arrangements. Those participating are the Revs. William J. Boldt, J. M. MacQueen, Robert H. Hamill and William B. Hill. Scripture readings, prayers and ushering will be in charge of the ministers of cooperating churches, in the association, who also will provide vocal talent from their choirs.

CONFIRMED

Eight members of the confirmation class at St. John's church were presented in testimony at a special service Sunday afternoon. They are Patricia Dath, Leonard Hemmick, Margaret Jones, Sharon Lauffer, Sandra Swinford, Robert Teske, Robert Yunker and Ronald Yunker. Their confirmation will take place this Sunday.

PURE MILK MEETING

Arthur C. Geuther, Frankfort, was a member of the resolutions committee at the 29th annual Pure Milk association meeting held March 20 in the Conrad Hilton hotel, Chicago. Andrew Swanberg, Manhattan, served on the redistricting committee.

RAYMOND G. OTT

Raymond G. Ott, Frankfort, observes his 30th year in the employ of the R. Donnelley & Sons company this month. The veteran member of the printing concern's 25 year club is a rotary pressman. His wife, Martha, is a former Donnelley employee.

taupe net of Chantilly lace over taffeta, with pink accessories. Mrs. Morrison wore Wedgewood blue crepe with navy. Both had rose corsages.

More than 300 attended the reception held in the church parlors. Mrs. Glen Rovenhagen had charge of the guest book and those who served are Arlene and Beverly Johnson, Mrs. Darrel Rhind, Mrs. Gerald Halweg and Mrs. Robert Best. The couple left on a journey through the Southwest. They will live in Mokena, where the groom has a farm.

Announce 'Name The Park' Contest

A "Name the Park" contest with a \$25 bond offered as prize has been announced by the Mokena park board, which met Tuesday evening in the home of Ray Hoohehan. Jane Bills, vice-president, presided.

They will announce rules of the contest in about a week. Named to serve on the grounds committee are Clarence Lauffer, chairman; Charles Swanberg, Mrs. Hugo Neithammer, Mrs. Arthur Shoop, Henry Clark and Gerri Swart.

Two members to the board of education for Mokena public school, district 159 are to be chosen at the school election to be held Saturday, April 10. The polls will be in the public school and will be open from noon until 7 p.m.

Lawrence Kohl, whose term has expired, is not a candidate again. He has served faithfully, tirelessly and well for the past 20 years and thinks it is time for the younger generation to take over this responsible job. The district owes Mr. Kohl a vote of thanks. It will be recalled that he served during trying financial periods, while adding extra rooms to the building and many progressive steps.

Clyde Yunker who has served one term is not running for reelection, therefore two are to be elected for a term of three years.

Do not forget this election, it is important. At the same time we will vote for two members of the county board of school trustees, which ballot must be asked for.

New Lenox Firm to Show New Table at Joliet Home Show

Moderne Building Specialties, New Lenox, will have a booth with Kitchen Maid Products at the Joliet Home show April 21, 22 and 23 in the Joliet Township High school gymnasium. The show is being sponsored by the JTHS Band Parents association.

They will show a multi-purpose pull-out table which serves as a snack table, planning desk, sit-down work area and other specialized uses. It is built on a hardwood frame, and glides into working position from a base cabinet. The unit has a positive locking action and when folded back into the cabinet allows for storage space. Dimensions are 25 inches wide and 21 inches deep. The top is formica with a choice of colors, or the assembly may be obtained without the top. Moderne Building Specialties is a branch of the Fredin Construction company, of which Robert Fredin is president.

Woman's Club to Hear Antique Dealer

Mrs. Eloise McCormick, an antique dealer from Hazelcrest, will speak April 29 before the regular meeting of the Frankfort Women's club in the village hall. "Antiques" will be her subject.

The meeting was postponed from the regular date, the third Thursday of the month. Mrs. Herbert Folkers is president of the club.

TEACHERS MEET

Mrs. Milton Geuther, of Orland-Palos High school, Chloa Walton, Argo High school, and Mrs. Florence Butler, Lincoln Way High school, will attend a meeting of the Illinois vocational homemaking teachers today, tomorrow and Saturday in Springfield.

George Krueger Wins Vacation Trip

George Krueger, Mokena, has left for St. Petersburg, Fla. with other local representatives of the State Farm Insurance company to attend the national convention.

Mr. Krueger with others in the same work won national honors because of their excellent work.

BIDS FOR CHURCH

Bids for constructing a shell for a frame addition to the Mokena Methodist church will be accepted by the church building committee. The foundation has been completed. Plans and specifications may be seen by calling Durward Fant, chairman of the building committee, or Russell Bennett, assistant chairman.

YOUTH CHAPEL

Every morning at 8:15 during Holy week, a youth chapel will be held in the Methodist church for Mokena school children. It is being sponsored jointly with St. John's Evangelical church, of which the Rev. William Riemann is pastor. All children are invited.

POLITICAL FIRING LINE

The great American privilege of selecting candidates for office will be exercised once again at the primary election on April 13.

Party strength is determined by the turnout at the primary, more so than in any other election, and the importance of each citizen getting to the polls cannot be over-emphasized. It is the very foundation of our system of free elections, without which we even now would be suffering the fate of those nations which have the voting privilege denied them.

As experienced observers take the pulse of public opinion we offer for thoughtful consideration the states of both Republican and Democratic parties, with the fervent hope of a record turnout in both Cook and Will counties.

Republican

In the race for U.S. senator, 10 men are running on the Republican ticket, with Joseph T. Meek seemingly the popular choice, along with Austin L. Wyman and Park Livingston.

The excellent job done by Warren E. Wright, incumbent in the contest for state treasurer, forecasts a strong lead in the voting, with enthusiastic support from his many friends. Conrad F. Becker and Robert J. Branson are his opponents.

Because of the changing situation in the school picture throughout the state, it behooves all voters to return to office Vernon L. Nickell, Superintendent of Public Instruction. He is the only man running, and apparently knows school problems thoroughly.

Stacking up impressive legislative records in their respective districts are Congressman Noah M. Mason, (15th) of Will County and William E. McVey (4th) whose constituents in Tinley Park, Orland Park and other parts of South Cook county sent him to Washington four years ago. They both should be reelected for their patriotic, staunch Americanism.

Morton H. Hollingsworth, Joliet, is without opposition for the post of state central committeeman in the 115th district, and Maj. Albert V. Becker in the fourth.

The well known and highly respected state senator from the 41st district, Lottie Holman O'Neill, has gone many times beyond the call of duty to serve her state and country faithfully and well. Her host of friends are working diligently to return her to office.

At the March 18 meeting of the Lions, William Blaha was appointed to buy raincoats for St. Mary's patrol boys. The club also discussed the possibility of installing flashing stop lights at 15th and Wolf road near the school.

WILL COUNTY GOP

No opposition has appeared for the candidacy of John C. Cowing, just and fearless county judge who for the past year has been doing double duty, both in his own courtroom and that of Probate Judge Adams who has been ill.

Joseph H. Hartley appears as a lone candidate on the ticket for county clerk. He runs his office efficiently and well, with cheerful service to all citizens. He has served for many years.

Three men have demonstrated, in long experience in probate proceedings, ability for the post of probate judge. They are J. Hinton Massey, Stewart C. Hutchison and Warren H. North. All are of fine reputation and high caliber.

Massey is well known, especially in New Lenox, where he is legal adviser for the New to do legal work for New Lenox Lenox library. He was engaged when it was incorporated eight years ago.

Two other contests are shaping up, one for office of County Treasurer, where the three men are running. They are William H. Maxwell, William E. Meade and Foyd H. Krapf. All are of proven ability. Mr. Krapf is probably better known in Green Garden township, where he has lived all his life.

Roy C. Doerfler, who is in the race for county sheriff, is well known and liked and had done exceedingly well in the office. He was a deputy under the late Ernest Overby, and on the latter's death was elected to fill the unexpired term. He is now running in his first campaign for sheriff. Ted Valentine, of Peotone is also a candidate for sheriff on the same ticket.

Ellsworth B. Workman is the GOP candidate for reelection as clerk of the probate court, with no opposition. He has served his office well.

Another of whom enough cannot be said is Verne Crackel, incumbent and only candidate for school problems, we feel, will His immense understanding of bringing to Will county

SHERIFF DOERFLER IS ELIGIBLE FOR ELECTION: JUDGE BARTLEY

The Ball is Rolling

After our appeal for consideration of a new hospital, published in last week's issue, we are happy to report a large and gratifying response from the entire area.

We are also glad to say that all comments have been greatly in favor of such an undertaking. Most people have said that they had often thought of the same thing. From a Mokena woman:

"When you have a child in the hospital it is far better to have him closer to home where you can visit often. In closing I salute all doctors in this area and hope they agree that we need a local hospital."

Others in Mokena have called to say they think it is a grand idea. Among the thoughts projected is a plan for someone to make an endowment which could be equalled by popular subscription among people in the area.

Gifts of rooms and beds would be welcome, too. Having a hospital here would be closer to home for all doctors, and would save distance and perhaps many lives in emergency cases. Patients would be among their friends and neighbors and with the usual overcrowding relieved, could stay longer in the hospital if necessary. A New Lenox woman writes:

"A good idea to have it connected with the Hedges clinic, and sort out the common ills from the more serious ones. That would give our precious clinic and its staff a helping hand."

Each community could build for these young doctors a home and office on a rental basis. This could be done on a loan and let the rent help pay off the debt.

"I'm willing to help with a program, but first we must have some figures on the cost of building and maintaining a 50 bed hospital. Modern x-ray and other equipment is so high now."

"I don't want this subject to be dropped. We must try and find an answer, and quickly. I think the women in all our little towns will be willing to do a volunteer work and help keep the cost down if we should be able to swing a hospital."

From Orland Park, the expressions of opinion have been "wonderful," "urgently needed" and many more on the same encouraging note.

The gist of the messages from Frankfort has been "we should have had a hospital long ago." All would like to know the cost of such an undertaking. They have felt, they say, that such a project is long overdue.

After Easter we might announce a public meeting on the subject of a new hospital, and in the meantime want to hear from a great many more people about what they think about it.

Plan Good Friday Union Services

A three hour Good Friday union service will be conducted from 12 to 3 p.m. in St. Peter's Evangelical and Reformed church, Frankfort. In charge will be Rev. David B. Munson of the Methodist church and Rev. Erich Bizer of St. Peter's.

St. Peter's church will have its annual confirmation reunion at 7:30 p.m. Palm Sunday in the church. Honors will go to those over 70. "The Shield of Faith," a motion picture, will be shown. Rev. Erich Bizer, pastor, invites all to attend.

Attend Meeting

A. Hunter Chapman, superintendent of the Lincoln Way high school, and John Oster, principal of the New Lenox Public schools Saturday attended a meeting of 1700 classroom teachers at De Kalb State Teachers college.

The morning session was a debate on "Fundamentals of Education" between Dr. Arthur Bestor of the University of Illinois and Dr. Wilbur Yaucht of North Western Teachers college. Dr. Bestor is author of the book "Educational Wastelands."

BAKE SALE

A bakery sale will be held Saturday afternoon April 10 in Cooper and Hostert's garage in Mokena. The Ways and Means committee of the Marley Missionary society will sponsor this sale which will begin at 2 o'clock.

Cat Takes on Family of Chicks: Ponders Rising Cost of Living

Mittens, a pet cat belonging to Carla Kae Mrosek, Alpine, has adopted a brood of ten baby chicks. She had been punished several times for what was thought to be undesirable intentions toward the family poultry, and once previously had waylaid and killed their pet parakeet.

Sheriff Roy C. Doerfler is eligible to succeed himself in the office of sheriff, according to a court ruling Tuesday in the Circuit court of Will county.

Judge James V. Bartley Jr. at the conclusion of a hearing, entered an order dismissing suit of Harry Schultz, Jr., Mokena, in which an attempt had been made to secure a declaration from the court that Doerfler was ineligible for reelection.

Basis for the suit had been a provision in the Illinois constitution to the effect that no sheriff or treasurer shall succeed himself after having been elected as sheriff or treasurer.

Judge Bartley heard arguments on the motion for an hour and a half. The suit was against County Clerk Joseph H. Hartley seeking to enjoin him from placing Doerfler's name on the Republican primary ballot, and against Doerfler, seeking a declaration that he was not eligible for reelection.

Mr. Hartley, being sued in his official capacity, was represented by State's Attorney Frank H. Masters, Jr., and Mr. Doerfler, being sued as an individual, retained the law firm of Robson, Masters and Ryan. States' Attorney Masters argued the motion for both the clerk and the sheriff. The plaintiff was represented by former State's Attorney John Irving Pearce.

The court ruled that the constitutional prohibition referred only to a sheriff who had served a full four year term and that, since Sheriff Doerfler had been elected to fill the unexpired term of the late Ernest E. Overby, he was not barred from succeeding himself and that, therefore, the suit must be dismissed.

Residents Discuss Storm Damage In Sunny Acres

Three new members were welcomed into Sunny Acres Homeowners association at its monthly meeting. They are Mrs. Charles Florey, Paul Pomper and Anthony Gilles, and were given certificates of membership and a set of bylaws in an attractive folder.

The damage done to homes and property by recent heavy rains was discussed at great length.

A social meeting has been planned for next month. There will be an admission charge. The money will be used to erect residential speeding signs in the subdivision.

The association will sponsor a bake sale May 1 in Dunham's hardware, the proceeds of which also will go toward the signs. They hope that all members will cooperate in the project.

Will Demonstrate Pow-R-Ditcher

A demonstration of the Vermeer Pow-R-Ditcher, which can be used with any farm tractor to tile a farm will be given at 1 p.m. Wednesday, April 14 on the Donald Doctor farm, the first farm east of Wolf road on 159th street, Orland Park.

A factory representative will be present to give further information. Sponsor of the showing is the Yunker Implement company, Orland Park.

Guzik Children Play in Recital

Rudolph and Leona Guzik, of Frankfort played in a piano recital given by Mrs. Byrnes of North, April 3 at Ridge Park, Beverly Hills.

Rudolph played a difficult arrangement of "Hungarian Rhapsody" and Leona, 10, played "Charge of the Hussars" by Spindler. They are the children of Mr. and Mrs. Rudolph Guzik.

CARD PARTY

VFW aux. will have its regular card party Saturday, April 10 in the veterans' hall. It will be the only card party this month because of the joint installation of officers set for April 24.

All games start at 8:30 p.m. and the VFW cordially invites the public to attend. Those who will serve are Mrs. Maude Larson, chairman, Mrs. Dorothy Fulton, Mrs. Amanda Schultz, Mrs. Ruth White and Mrs. Estelle Weese.

Good for All Concerned

Editorial Good for all concerned

When employer and employee are able to sit at a conference table and settle their differences themselves with out Government being forced or asked to take part, a long step has been taken toward establishing good "human relations."

This "American way" of doing it is to be emphasized by the U. S. delegation to the forthcoming Second International Conference of Manufacturers, in Paris. The delegation of 150 top American industrialists is being organized by the National Association of Manufacturers.

H. C. McClellan, president of the NAM, notes "a growing tendency of top management people both here and in Europe to give more and more emphasis to the human factors in business." His statement that human relations will be a major part of the international conference discussions denotes an important contribution to our world leadership.

Legion Commander Answers Charges Of VA Inefficiency

Edward Driemeyer, commander of the Department of Illinois, American Legion, has issued a statement refuting current attacks on parts of the Federal veterans' program. He said: "Opponents of veterans' programs try to give the impression that our 20,000,000 war veterans are federal wards and that all of them are going to be hospitalized by the Veterans Administration; and that all 20,000,000 are

getting or will get some kind of government compensation. Here are the facts:

1. Only the service-connected disabled have a right to VA hospital treatment.

2. Non service connected cases have this privilege is unable to pay for it themselves and if VA hospital beds are available.

3. The complete VA hospital construction program will mean accommodation for only slightly more than one half of one percent of the veteran population at one time.

4. Only two and a half percent of our veterans are treated and discharged from VA hospitals in one full year, these including the mentally ill, tubercular, service connected, chronic, etc.

5. An American Legion survey of 5,000 hospitalized veterans in 28 VA general hospitals shows a very small percentage who could be questioned about their sworn statement of inability to pay. Those surveyed had spent nearly \$3,000,000 in private and other funds for medical surgical care before admission to VA hospitals.

6. We have only slightly less than 2,000,000 service connected compensable veterans out of the

Jonas Lashmet Will Coach at Lincoln-Way High School

Jonas Lashmet of Staunton, Ill. has been employed for the football and baseball coaching positions at Lincoln-Way High school. He will also assist Paul LaVinn in basketball.

Mr. Lashmet is from Winchester, Ill. where he made an outstanding athletic and scholastic record in high school. He received all state mention in both basketball and football. He received his degree from Illinois State Normal university. While attending Normal, he participated in all sports, but made his best record in football. He was co-captain of their team during his senior year, playing on their conference championship team.

For two years Coach Lashmet has been head football coach at the Staunton high school, and assistant in basketball.

He will spend several days in the school district early in June in order to get acquainted with some of his players, after which he plans on summer school. Since he is single, he will not move until the beginning of the football season.

New Lenox Piles Up Record of 18 Wins

The New Lenox basketball team sponsored by the Welsh Lumber and Supply company ended season play with a record of 18 wins and two defeats.

They played eight interesting games outside the league with top Joliet teams, winning seven and losing one. They had 11 wins in the Mo-Fr-Ma-Le conference league, and lost to Frankfort in the opening game.

The boys want to play two more this season. Anyone who wishes to challenge them may telephone Jerry Slick at New Lenox 2711 or get in touch with any player on the team.

Bill Heidrich of the lumber company purchased the team's outfits, and followed the boys faithfully throughout the season. Team averages are:

This is getting to be quite a contest! First place teams are tied and last place teams are tied.

Now that the weather is getting warmer, Lehmann Bros. team must have decided they liked the cool damp air of the cellar as they gave up 3 games to Bremen State to finally tie Goebel's for that position. Goebel's took two games from INN and H&S Feed took 2 games from Vogt's.

High scores for the evening were Bob Oates with 215-575, Wally Gebel 204-564, Bud Diekmann 505., and Ava Funk 213-500.

Plymouth Announces Power Brakes

Plymouth Motor corporation today added vacuum booster power brakes to its list of option

al features on 1954 model Plymouth cars. President John P. Mansfield announced the factory retail price at factory, Detroit, Mich., is \$34.00 plus tax.

Mansfield said Plymouth's power braking system is similar to those used in other Chrysler corporation cars. A booster unit, deriving vacuum from the engine manifold, assists the driver in applying the brakes, reducing required pedal pressure up to two-thirds. Plymouth's dual cylinder front wheel brakes and bonded brake linings are retained in the power braking system.

Mansfield said all of Plymouth's new power features, including power brakes, are now in volume production. They include Plymouth's full time power steering and a new power package made up of PowerFlite fully automatic transmission used with a new 110 horsepower PowerFlow engine.

Test Tube Research Pays Off For Hogs

Dr. W. A. Malmquist, above, examines the first hog cholera vaccine to be modified and grown exclusively in test tubes. This exclusive new vaccine, called Viracine, will be available for extensive use by veterinarians this year.

Reported results after administration of Viracine to more than a million pigs indicate that this new vaccine has helped make a big step towards the control of costly losses caused yearly by hog cholera. It builds high immunity to hog cholera but will not cause the disease. Viracine is different because it is grown only in glass test tubes on laboratory media. Pigs and rabbits play no part in its production. Because of its unique production methods, it overcomes the obvious hazards of animal passage previously necessary for the manufacture of virus vaccines.

The method of production, known as the tissue culture method, was developed by Dr. W. H. Boynton, an eminent University of California veterinary scientist, in cooperation with Cutter Laboratories of Berkeley, Calif. The use of this tissue culture method marks a great advance in the production of virus vaccine.

From where I sit . . . by Joe Marsh

Easy Does It—Again!

Ladies Aid Society had their rummage sale the other night—and as soon as the doors opened, "Easy" Roberts was inside.

Without a word, he headed straight for the coat counter, picked out a shabby old tweed jacket, and paid for it. "Easy" told me a little later that buying his jacket back was getting to be a regular habit.

"That's been my favorite smoking jacket for years," he said. "And my wife talks me into giving it away regularly. Then I get to thinking how much I like

it and hurry down to buy that jacket back. This is the third time I've done it!"

From where I sit, everyone's entitled to his own fikes—whether it's a sports jacket, a baseball team, or the beverage he likes for dinner. For example, the wife likes coffee along with Saturday night spaghetti while I like a glass of beer. We never try to "sell" each other on our personal preferences.

IN MEMORIAM

YUNKER, Robert. In loving memory of our son and brother who passed away 10 years ago April 8.

Nothing can ever take away the love a heart holds dear; Fond memories linger every day, Remembrance keeps him near.

PARENTS and SISTERS.

The Ladies Aid of Christ Lutheran church held their birthday meeting April 1. A 1 o'clock potluck luncheon was served honoring those who had birthdays in January, February, and March. They were: Mrs. Herman Uthe, Mrs. Robert Horn, Mrs. Bertha Nicolai, Mrs. Rudolph Lillwitz, Mrs. Chas. Ohl-fest, Mrs. Lydia Duehr, Mrs. Sue Rauch and Mrs. Rose Uthe.

Mr. and Mrs. George Gee, Jr. celebrated their 29th wedding anniversary, Sunday, April 4. Their guests at a 6 o'clock dinner were Mr. and Mrs. Sigmund Smith, Mr. and Mrs. Harry Anderson, Dr. and Mrs. Wesley Lindquist, Mrs. Dave Agate, Ralph Agate, Miss Ellen Moore of Chicago, Mr. and Mrs. Karl Smith of Joliet, Mrs. Karl Ekberg, Mrs. Frank Moore, Mr. and Mrs. Harold Braasch, Mr. and Mrs. George Gee, III and Ivar Benson.

Mr. and Mrs. Harry Heiting entertained 14 relatives at supper Sunday. They came from Lowell, Crown Point, and Gary, Ind.

Harry Heiting received word that his uncle, Henry J. Beckman of Waukegan, passed away in the hospital Friday where he had been a patient about a year. He was 86 years old and one of the first pioneers of Waukegan. Funeral services were held Monday.

Mr. and Mrs. Franklin Loebe

WEED-TOPPER

"Weed-Topper", on the "Moto-Boy" and "Scout", is an outstanding improvement over the conventional power lawn mower. A once-over cutting will leave a beautiful lawn—no obnoxious weeds, plantain, buckhorn or dandelions left uncult as the Weed-Topper cuts these ahead of the cutting reel. You, too, can have a beautiful lawn with the "Moto-Boy" or "Scout" with Weed-Topper... optional equipment at the factory.

entertained 14 guests Sunday, March 28 at a dinner honoring their daughter, Nancy Ruth's eighth birthday.

The Tillman Gladney family plan to move to New Orleans, La., within the next two weeks, where he has been transferred by his company. The Gladneys lived on 143rd St. near Wood-lawn for the past few years and have made many friends, who are sorry to see them move away. They were active in community affairs and liked Orland and folks very much.

Mr. and Mrs. Henry Wolske left Sunday morning for Dallas, Texas to attend a convention. They will also make this a vacation trip and expect to be gone about three weeks.

Mr. and Mrs. Walter Clayburn of Chicago announce the birth of a daughter Sunday, April 4 in the Chicago Osteopathic hospital. The infant weighed 7 pounds, 7 ounces and has been named Diana Lynn. Her mother the former Florence Wolske, of Orland Park, and daughter are doing fine.

Wilbur Wolske, who is in the navy, was home on a 30 day leave, while home he had contracted a virus infection, so his leave was extended by doctors orders. He has now recovered, and left Sunday morning for San Francisco.

Fred Braasch is a patient in St. Francis hospital where he will undergo surgery.

"Ma" Schanz of Clover Farm stores of Orland Park was home over a week doctoring a severe cold. She is back on the job again and feeling much better.

Sunday, March 28, the infant son of Mr. and Mrs. John McIntosh was baptized after the morning service in Christ Lutheran church, with Rev. A. Lach officiating. He was given the name of John Scott. Mrs. Thomas Robertson of Blue Island, an aunt, and Dave McIntosh, uncle were sponsors. A baked ham dinner was served at the John McIntosh home, with 12 guests attending.

Mr. and Mrs. Herman Uthe were dinner guests, Saturday evening of Mr. and Mrs. John Kesler in Lockport.

Mr. and Mrs. Clarence Creer entertained Sunday at a birthday supper, honoring his mother Mrs. James Creer. Also present were Owen Creer and Mr. and Mrs. Frank Sayers. The table was most attractively arranged and a pleasant time was enjoyed.

Between the hours of 8 and 10 Saturday night, there were several accidents around the Orland area, due to the icy roads. The police officer and State Police were kept busy answering calls.

David Morloch and his dad Harold A. Morloch, Sr., were guests of the Illini club of Chicago.

MADE TO ORDER
Luxury in Ready Made Suites

Are you captivated by modern furniture or enchanted by traditional? Or are you 'twixt or 'tween with an eye for both?

Of main concern to every couple furnishing a home is the living room decor. This is the room that will house your guests... that will make the strongest impression on them. This is the room that must be better perfect... that should reflect the host and hostesses' personality. It should be chosen with as much thought for up-to-the-minute styling as your wardrobe and with an attempt to retain all the charm of past traditions.

Specially constructed to fit this bill is the Pullman suite which looks "at home" in both modern and traditional settings. The chair and couch are in the popular and unique crescent design with smart tufted treatment, cushioned for long lasting comfort in foam rubber. Available in an extensive choice of quality fabrics including the new nubby textures and bouclés. Ideal for home planners seeking the "decorator touch," the sleek 86 inch couch has extra-broad armrests.

SEATS FOUR IN SPACIOUS COMFORT. Smartly styled 86 inch couch. Attractive diamond tufting, a traditional heritage used so smartly here in modern decor.

FIT FOR A KING. Foam rubber cushioning for relaxing comfort.

Dear Friends and Neighbors:

Primary election is next Tuesday, April 13th. Mr. Austin L. Wyman is a Republican candidate for United States Senator. He has been my employer for almost 18 years. During these years I have enjoyed working as his employee and being able to observe his integrity and intelligence.

Mr. Wyman has contributed much of his time to the Chicago Crime Commission, Citizens of Greater Chicago and numerous other groups to bring about better government in the Chicago area. He enjoys the reputation of being one of Chicago's outstanding lawyers. Is a veteran of the First World War. He left college to enter service and completed his education at night school. Has a charming wife, five children and eight grandchildren.

It is important to every citizen to elect a Republican Senator in November and no primary contestant has the qualifications of Mr. Wyman for United States Senator.

Remember to vote for August Wyman next Tuesday.

Sincerely,
Marguerite Bass

THE NEW 115-H.P. I-BLOCK SIX
like the V-8, has Ford's deep-block design. It gives a dividend of 14% more power... greater economy, too. And, like the V-8, it has Ford's High-Turbulence Combustion Chambers for more complete and economical fuel combustion.

FORD'S BRAND-NEW 130-H.P. Y-BLOCK V-8
with its extra-deep crankcase has greater rigidity for fine-car smoothness and longer engine life. Shorter piston stroke and Free-Turning Overhead Valves help give a dividend of 18% more power... greater economy.

"I," "Y" and Handsome!

No other car, regardless of price, offers you two such modern engines as Ford with its I-block Six and Y-block V-8. And to go with these and its many other modern features Ford brings you the trend-setting style of the industry.

Once you Test Drive a new '54 Ford you'll see why thousands are swinging to Ford! For besides Ford's new engines there are many other new features that make driving much easier and more pleasant. Ford's smooth eye-catching design is matched in beauty by its completely new trend-setting interiors. Then there's Ford's new Ball-Joint Front Suspension that makes possible a smoother ride... and, at extra cost, 5 optional power assists.

New Ball-Joint Front Suspension replaces the conventional kingpin system used in most other cars. The simple ball-joint system eliminates 12 wear-points... helps keep wheels in line longer... and means your Ford will keep that new car "feel" for more miles.

Barbara Gray Is Candidate for Will County Trustee

Mrs. Barbara C. Gray, 221 Third Ave., Joliet, recently filed her petition for re-election to a seat on the County Board of School trustees on which she has served two years. Trustees serve without compensation, receiving only actual mileage ex-

pense incurred attending meetings.

Two trustees will be elected to the board in the April 13 election for this non-partisan office. Votes for this post will be cast on separate ballots which should be asked for. "All citizens should take an active interest in public school administration. The selection of the best qualified candidates, as in the coming election, is an essential part of this interest," Mrs. Gray stresses in urging people to vote.

Holding a Bachelor of Education degree from National College of Education, Mrs. Gray also has had graduate work from the University of Illinois in Public Relations of the School and Legal Basis of School administration. She holds secondary and elementary teacher certificates in addition to a College Life certificate in Michigan.

Having taught from kindergarten thru college levels, she has worked with psychologists and psychiatrists in remedial therapy of school children having psychological problems.

Mrs. Gray is active in club work and is a member of the advisory board of Silver Cross hospital.

Mrs. Gray has attended all meetings of the County Board of School trustees since its organization and has attended other meetings for members of Boards of Education and Administrators.

Her husband is William Strong Gray. They have one daughter.

Roy Fitzer who had opened his ice cream stand at New Lenox last Saturday was taken suddenly ill during the night and rushed to Silver Cross hospital where he underwent an emergency appendectomy early Sunday morning. The Fitzer Frosties will therefore be delayed in opening again for several weeks until his recovery.

Members of the VFW auxiliary post 9545, met Friday night in the home of Mrs. Eunice Anderson. President, Mrs. Adonia Meitsner presided and read the minutes, in the absence of the secretary Mrs. Peggy Balbinot. Plans for the coming installation to be held in the Lions Den April 25 were made. Delegates to go to the state Encampment at Rockford in June were appointed, and are, Rosemary Butzen, and Mrs. Helen Novak. Refreshments were served by the hostess. The next meeting will be held May 14 in the Lions Den.

Norma Heidrich is ill in her home. The Homemakers will meet Thursday afternoon April 15 with Mrs. Walter Gobush. Mrs. Edward Osmus will give the lesson.

Mrs. Ruby Gougar has returned from Florida where she spent three months, vacationing and visiting. She spent some time at Green Cove Springs, with her daughter, Lt. Commander and Mrs. Joseph E. Fields; in Lockhart she visited with Mrs. Hazel Roth, formerly of New Lenox; and spent a few weeks in Miami with other relatives.

Mrs. Donald Wennlund, entertained her pinocle club April 7. Dessert-coffee was served at 1:30.

The meeting of the Neighborhood Scouts has been postponed to April 29 due to illness. They are collecting clean white materials for cancer bandages, for the Cancer society of Joliet. Old sheets, shirts or any white materials will be accepted by the group. Call Mrs. Arthur Rowsell, New Lenox 8173, or contact any of the girl scout leaders, if you have any of these materials to give.

Donna Anderson, 214 Haven avenue, entertained the members of her girls club Friday night, from 7 to 9. They played records and danced, with refreshments served buffet style from the dining room table. Those present were Christine Duffy, Margaret Campbell, Evelyn Rowsell, Dotte Jean Anderson and Claire Ryden.

GIRL SCOUTS

Brownie troop 13 met Thursday in Oakview school with Mrs. A. Chapman and Mrs. Donald Dunn assistant. Officers elected were Barbara Stoddard, president; Jackie Bell, vice president; Julie Troutman, secretary; Janice Thompson, treasurer. The girls turned in their money from their cookie sales, after which they acted out the Brownie story. Hostess Judy Dunn served refreshments, and Sandra Harwood will be hostess next week.

Troop 90 met in the Lions Den Thursday. The girls enjoyed square dancing assisted by Mrs. Ralph McCoy. A group of students from the 7th and 8th grades of the Haven school demonstrated dance figures. They were Donna Anderson, Susan Erickson, Raedeen Cook, Carol Werner, David Novak, David Erickson, Ronald Fredin, and Henry Jensen.

Troop 98 met in the Methodist church Thursday night. The girls will get their Junior Red Cross cards April 15, and will receive their First Aid badges after finishing the Red Cross course. They were told what they have to do to finish the class they are in. They learned new songs and a dance.

Woman Wins National Red Feather Award

Mrs. Victor Shaw of Fairmont, West Virginia, vice president of the Community Chests and Councils of America, is the first woman to receive the national Red Feather Award for outstanding volunteer service to this country's Community Chests, United Funds and Community Welfare Councils.

The award, a bronze medallion, is the highest honor bestowed by the national organization. It was awarded to Mrs. Shaw by H. J. Heinz II of Pittsburgh, Pa., president of the H. J. Heinz Company and immediate past president of Community Chests and Councils of America at the national conference of Community Chests and Councils of America.

The award was first given in 1947 to Gerard Swope of Ossining, N.Y. It went successively to E. A. Roberts, Philadelphia; H. J. Heinz II, Pittsburgh; Stanley Allyn, Dayton, Ohio; Philip Morgan, Worcester, Mass.; Alex Osborn, Buffalo, N.Y.; and Edward L. Ryerson, Chicago.

Mrs. Shaw was selected to receive the award for her leadership in health and welfare work nationally and in West Virginia. A vice president of Community Chests and Councils of America,

she is also vice president of the National Conference of Social Work; secretary of the board of the Family Service Association of America; and board member of the International Social Service and of the National Mental Health Association.

Mrs. Shaw served two terms as chairman of the national Advisory Committee on Citizen Participation of Community Chests and Councils of America. During her term of office, the committee helped to broaden citizen participation in local and national agencies for health, social welfare, recreation and defense.

Last fall Community Chests and United Funds in 1,700 communities raised more than \$250 million, the largest sum ever raised by a volunteer group for health and welfare services in the nation's history. The average cost of campaign fund-raising in America's 1,700 local Chest and Fund appeals was only 4.1 per cent. Most of the campaigns included United Defense Fund, a federation of national voluntary agencies giving health and welfare services related to the country's defense program.

"Let's Do Something About" Equalizing Tax Assessments

A proven Public Official

OUR COUNTY IS JUDGED

By the

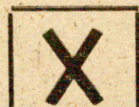

Officials we elect to govern it—

Capable — Experienced — Fair — Co-operative

The placing of men of good judgement in public office, who by their past record as a public servant have proven their ability to conscientiously serve you, is an important factor in maintaining a good country in which to live.

The county government is ours. Therefore, it is very important that we elect men who have the courage and leadership to have their voice heard in all matters relating to their office, and that the small taxpayer be granted the same consideration as the large.

To The Forgotten Voters of Will County

I am Mr. Theodore O. Valentine of Peotone, Ill. I am a Republican Candidate for Sheriff of Will County. I am for more adequate Police Protection and clean law enforcement in the county.

I have 15 years as an honest law enforcement officer. I am experienced, honest and well qualified to serve as your Sheriff. I am well known all over Will County, and if the people from outside of Joliet will come out and vote the 13th of April I can win.

I am not supported by any organization or group. I served several years as Chief of Police at Peotone. I also served as a Deputy Sheriff under the late Ernest Overby and your present Sheriff. I resigned the 1st day of September, 1953.

The money I am spending on my campaign, is my own. I have been looking forward to meeting all of you people. Folks all I ask is that every one go out and vote, and let the politicians know we not only vote, but we have a Candidate from outside of Joliet that is qualified to serve the public.

The only time we see a candidate in our end of the County is when they are looking for our support.

Your support will be appreciated very much.

When President Roosevelt recognized Russia in 1933, Stalin pledged to refrain from spreading Communist propaganda among the people of the United States. Roosevelt fell for that pledge. Stalin did not keep that pledge. All the sabotage, treason and disloyal acts of our own citizens that have happened since 1933 can be traced to Russian cesspools of Communism set up in this country by Stalin.

In spite of the fact that Stalin's pledge has been violated daily, we still recognize Russia. What is wrong with us that we permit this brazen disregard of a solemn compact to continue? Why are we compelled to listen month after month and year after year to vitriolic attacks upon this country by Vishinsky? He spouts nothing but hate, malice, libel and slander against the United States, although he is a guest of this country.

And where are we getting in the debates to further world peace? Every attempt at world peace has been vetoed by the Soviet Union; yet we are simple minded enough to keep on recognizing the Soviet Government, and to believe we can work out world peace with Communist Russia.

We are a capitalistic nation. Russia is sworn to destroy capitalism. She will never honor her signature to any agreement unless that agreement provides for the destruction of capitalism. What more proof must we have?

"Christianity and Communism are as incompatible as Freedom and Slavery, Truth and Lying, Light and Darkness." That is the statement of Communist leaders contained in a booklet now being circulated by the East German Communist Government. In that booklet they claim, "Christianity is profoundly immoral, based upon fairy tales." From the mouths of the Communist leaders themselves we learn that Communism and Christianity are absolutely incompatible; they cannot be reconciled.

The idea of a Christian society founded upon love and not upon hate; founded upon the inviolability and immortality of the human soul, and not upon a materialistic dogma with the grave as the end; founded upon State powers limited by eternal God-given standards, and not upon Statism and dictatorial human powers—can neither be grasped nor understood by disciples of Communism.

American youth is idealistic

and impressionable; therefore vulnerable. Communistic principles, presented with the fervor and zeal of a religious missionary by those who advocate Communism, attract youth and make a special appeal to their idealistic and impressionable natures. The task for the Church, therefore, is to immunize our American youth against the pernicious influence of Communism. Christian doctrine, as taught in every Church and well organized Sunday school, is the best immunizing agent I know of for this purpose.

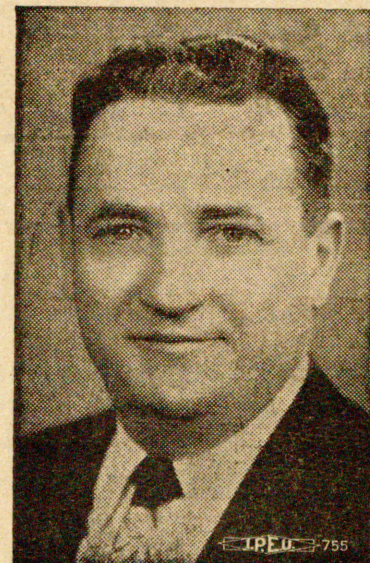

Communist germs cannot live—much less thrive and grow—when exposed to the sunlight of Christianity. A real Christian is fully immunized against the virus of Communism, being filled with the spirit and teach-

ings of Christ. It behooves Church leaders, therefore, to indoctrinate our youth while we have the opportunity. Thus we can prevent them from being led astray in later life by false doctrines. Christianity is the "gospel of love"; Communism is the "gospel of hate." Christianity elevates and magnifies the individual, Communism magnifies the State and subordinates the individual. Christianity depends upon control from within, self control; Communism depends upon control from without, control by the State. Christianity is the best antidote for these alienisms that man can supply. Let us apply it as our God given remedy for the ills of present day society. Thus shall we make the world safe for democracy, and our American youth safe for Christianity.

BABSON SAYS—

You have seen recent newspaper headlines: Stock Market Touches Highest in 25 Years. Yet when many of you check your list of good stocks owned, you find this is not true as to your portfolio. Now let me tell you the trouble.

There are about 1,500 stocks listed on the New York Stock Exchange. Of these 1,500, only

65 are taken to prepare the Dow Jones Averages, so called. Furthermore, these are divided into three groups: 1, The Industrial Group containing 30 stocks, 2, the Railroad Group containing 20 stocks, and 3, the Utilities Group containing 15 stocks.

As a practical matter, most investors do not bother with the second and third groups. They look at only the Industrial group. When the Industrial Group of 30 stocks goes up, they think the

entire market of 1,500 stocks goes up. When this Industrial Group goes down, they think all the 1,500 have gone down. Hence the newspaper headlines mentioned above, reporting the market at its "25 year high", really applied only to the Industrial group of 30 stocks—not to the real average of the entire market—or probably not to the stocks which you own.

I answer this very frankly by replying that it is unfair to act on these averages. The truth is: 1, that this Industrial group is made up of the top big company stocks, 2, that banks and trustees, perhaps partly to protect themselves against later suits—prefer to buy, for trusts and pension funds, the stocks of these top companies; 3, that this concentrated buying, with little selling, sends these 30 stocks up above the true market average, and 4, that the buying of Mutual Funds is a great factor in boosting the Dow Industrial Average.

Let me say something about these Mutual Funds. They are worthy of careful consideration for small investors. They give diversification and honest management. These Funds are being sold today by thousands of salesmen who get a commission of about 5%. When you buy the stock of a Mutual Fund, your money is probably used to buy the stocks of top industrials. Hence, thousands of salesmen are on the road indirectly selling the stocks of these 30 Industrials, for which selling they

get 5%—while the rest of the 1,500 stocks are neglected, for the selling of which they would get only 1-8th of 1%.

It is unjust to say that the stock market should be a fair barometer of general business, which determines your employment. The stock market as a whole does represent the composite opinion of the business leaders of the nation. Although this composite opinion may be wrong, it is worthy of careful consideration by every reader of this newspaper.

But the Dow-Jones Industrial Average does not necessarily represent the opinion of leading businessmen as to employment conditions. Hence, it may be very unfair to you for any manufacturer, or his employment manager, to base his opinions and hence his "firing and hiring program" on the Dow-Jones Average. Manufacturers should study the average prices of all the 1,500 stocks, properly adjusted as to volume, and not depend solely on what 30 stocks indicate.

The truth is that the stock market is very confusing to any honest employment manager to day. The Dow-Jones Industrial Average indicates one thing, while the entire stock market indicates an opposite thing. Certain good stocks are now abnormally high, while other good stocks are abnormally low. Before you are fired by any employment manager, he should study other factors, rather than look solely at the stock market.

General business fell off during January and February, 1954 compared with 1953, but the stock market did not forecast this. Some stocks went up, while others went down. Many stock prices have changed very little in the past six months or even longer. Hence, we all should watch carefully the business of March and April without reference to the stock market. Certainly—except for customary seasonal reasons—I forecast that employment managers will be making a big mistake by firing people at this time.

GIRL SCOUT COOKIE SALE

Along with the other good things that come with spring is the annual sale of Girl Scout Cookies which begins this year in South Cook county Friday, April 2.

According to Mrs. Paul Graves, chairman of the cookie committee, girls and leaders will canvass the various communities in the area during the period from April 2 to April 11, giving everyone an opportunity to order the official Girl Scout cookies. This year two kinds of cookies will be available: a cream sandwich type in a box of assorted flavors, and a chocolate mint cookie. Each will sell for 40¢.

Mrs. Graves announces, "Proceeds of the cookie sale will be used to further the camping program of the area which includes day camps, Camp Thorn creek, in Thornton, and Camp Manistee, Mich. A successful sale means camping opportunities for a greater number of girls," Mrs. Graves said. To increase enthusiasm among the troops, a bonus of two cents per box will be returned to the individual troop treasuries.

Plans for the 1954 cookie sale have been formulated over the past several weeks by a special cookie committee that anticipates a successful drive this year. In view of the increased population in the South Cook area, a total sale of 100,000 boxes has been set as the goal, committee spokesmen stated.

Committee members represent each district in the South Cook county Girl Scout area and include: Mrs. Graves, Hazel Crest; Mrs. A. DeLance, Oak Lawn; Mrs. Richard Scheffers, South Holland; Mrs. Chas. Mayfield, Harvey; Mrs. Henry Van Dyke, Park Forest; and Mrs. Hugh Mortenson, Chicago Heights.

The rapid growth of diesel electric motive power by railroads over the five year period, 1946-1950 is indicated by the Interstate Commerce Commission.

The gross ton miles of freight service powered by diesel oil rose from 9.73 per cent to 44.13 per cent of the nation's total. The share of passenger train car miles advanced from 15.28 per cent to 57.30 per cent. Yard switching locomotive use grew from 29.46 per cent to 60.45 per cent.

Betrayal

Lesson for April 11, 1954

THERE would have been no crucifixion if there had been no betrayal. At this Good Friday season, it may help us (though it cannot be pleasant) to think a while about the betrayal of Jesus. We never understand the story of the Cross when we think of it as simply a historic event, something that happened once long ago, to other people.

"Where were you there when they crucified my Lord?" the old song asks. Yes, but not only at Calvary—we were in the Garden of Gethsemane, we took part in the betrayal. For the betrayal of Jesus by Judas is a picture of the way each of us has at some time or other betrayed the Master. Judas was not alone.

Judas Didn't Do Much

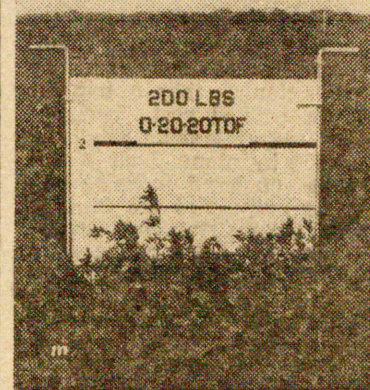

The betrayal was such a tremendous thing, really, yet perhaps to Judas at first it did not seem like much. We wonder why Judas could ever have done such a crime, and the answer may be that Judas did not think of it as a crime, beforehand. No doubt the men of the Sanhedrin urged that point on him. We can imagine hearing them say: "Now, Judas, why not? We are not asking you to do anything. All we are after is one fact. Where can we find this Jesus of Nazareth after hours? Where does he spend his nights? We aren't asking you to arrest him, or to strike him or hurt him a particle. All we want is information. What we do with the information, that happens afterwards,—that isn't your affair. Your Master may turn out to be quite innocent of all the charges going around. Wouldn't you like to see him cleared, wouldn't you? We'll give him a trial; you surely don't object to justice being done! All we ask of you is one little thing: just tell us where to find him."

They All Forsook Him

Let it be repeated: Judas was not alone. All the apostles had sworn loyalty, and Peter in particular. But given the chance to escape from that garden, they made the most of it. We are told that they ALL forsook him and fled. Every disciple running away into the shadows was just as truly denying Jesus as was Simon Peter there in the courtyard by the fire. Every sound of running feet growing fainter in the distance was just as sickening a sound as was Judas' kiss. Judas was the first traitor but none failed to follow his example. So it is with us. Like Judas, we don't intend to betray Jesus,—we who are Christians. Yet every sin is a turning of the back on him. Every sin is a betrayal of trust. Every sin is the same as saying, "I do not know Jesus." Every sin is a going over to Jesus' enemies. It is lining up with the forces that would destroy Jesus and all that he stood for. Jesus has many friends in the world today, but he also has many enemies. And sin of every sort simply helps Jesus' enemies and hurts Jesus and his cause. Like Judas, we seldom realize what we are getting into, at first. Smooth tongues can make evil look almost benevolent. It was not hard to rope Judas in. Do we, too, make easy victims for the devil?

Judas, Too Late

D. L. Moody's imaginative story tells much of the meaning of the Cross. Christ had just told his disciples to preach the gospel to every creature. "To every creature?" protests Peter. "I saw a soldier cram a garland of thorns down on your forehead till it bled . . . to him?" "Yes," replies Jesus, "to him. Tell him that blood was shed for him, too." "To every creature?" asks Peter. "I saw a soldier strike his spear into your side when you were helpless in the very moment of death . . . preach to him?" "Yes," answers the Lord. "to him, too. Tell him there is a nearer way to my heart than that." To every creature—yes, but not to Judas. For him it was too late. Why was it, so many ask, that Judas was not forgiven, while Peter was? Was not Peter also a betrayer? Of course he was. But the difference was that Peter came back to Jesus, but Judas never did. The Christian church believes that Christ died for our sins, and not for ours only but for the sins of the whole world. Yet there are those whom the sacrifice of Christ on the cross does not save. Christ did not save Judas, it is true. But whose was the fault?

Alfalfa Beats Drouth, Gives High Yields

An annual application of fertilizer gives thick growing, high-yielding alfalfa.

ALFALFA is riding high again as the result of its good performance in the Corn Belt during the drouth of the past two years, reports the Middle West Soil Improvement Committee.

In Illinois and other states, alfalfa has made a seedling when red clover, ladino and other legumes have failed, according to soils specialists. It has stood the dry weather and produced respectable yields when the other seedlings and plants were entirely dead.

The outlook for a greater acreage of alfalfa has been brightened further with the development of a new and virtually unlimited source of certified seed from California. Certified for use in the Corn Belt, this seed is true-to-type for both winter hardiness and disease resistance.

This year more than 30 million pounds of certified Ranger alfalfa seed are available. Ranger, Atlantic and Buffalo varieties are reported in plentiful supply.

"Top production of alfalfa," says the committee, "calls for good care in establishing the stand. It is especially important for the soil to have plenty of nutrients for the alfalfa when it needs them. Once the stand is vigorously established it is equally important that the alfalfa's year by year nutrient needs are met by top dressing regularly with fertilizer."

"Alfalfa is a heavy user of phosphate and potash. Each ton of alfalfa takes upwards of 15 pounds of phosphate and 45 pounds of potash from the soil. So a plentiful supply of each is required if the crop is to be established and make good yields."

Almost 30 billion tons of coal have been produced in the U. S. since 1800.

Re-Elect Harry

(He's our man)

Mr. Harry Clarke has honestly and conscientiously served Bremen Township as Democratic Committeeman for the past twenty-two years, and his father served in the same capacity before him. Remember the old saying, "You can fool some of the people all of the time and you can fool all of the people some of the time, but you can't fool Bremenites for 54 years at a time."

HARRY CLARKE

We are endorsing Harry Clarke for re-election to the office of committeeman because he possesses certain attributes, qualities and ideals which we consider necessary qualifications for this important office. Harry Clarke will never boast or brag about his accomplishments, abilities, or successes. He never makes ridiculous promises which he knows he can't keep and is always in there "pitching" for the residents of Bremen in his steadfast, quiet, and unassuming way. So we say, "Why change horses in the middle of the stream?" particularly when you are with a stalwart thoroughbred and the odds are in your favor.

Mrs. Stuart Culp entertained at a copper party Wednesday afternoon. Following a luncheon Mrs. Penny Fiala, of Chicago, exhibited many beautiful copper items. Guests were Mrs. Ruth Crozier, Mrs. Alice Swenson, Mrs. G. Kapelman, Mrs.

Eleanor Holtz, all of Chicago; Mrs. Garrett Cummins and Mrs. Edward Mrosek, who received the door prize. Mrs. Henry Felsch has been ill with the flu this past week. Guests of Mr. and Mrs. Stuart Culp Sunday were their daughter, Mrs. Laverne Alexander, Larry and Lowell, and Jim Alice, all of Chicago. The Culp family gave their guests a taste of country life by putting them to work in the field picking corn that had been left from last fall.

John Bukover returned Thursday morning after having spent a month's vacation in Mara Caimo, South America, visiting his brother, Joseph, whom he had not seen for 34 years. While there he visited a niece, Marie Niebert, in Caracas. Mr. Bukover, who had been advised by his physician to take a trip for a much needed rest, returned tanned and relaxed. The trip was made by plane. Jack Woodall was on hand to meet him when he arrived at the Chicago airport early Thursday morning. "He had a good time," says Mrs. Bukover, "but there is nothing better than the U. S. A."

Garrett Cummins is home on vacation this week. Mr. and Mrs. Richard Kracht, Sherol and Dick of Chicago visited with Mr. and Mrs. Deen Taylor, Sunday.

Roy Walker attended a supper given for the YMCA maintenance men and engineers at the Austin YMCA, Wednesday evening. Forty guests were present. Later all were taken on a conducted tour of the Commonwealth Edison plant at 39th and Ridgeland.

Mr. and Mrs. Wally DeWitt, Danny and Linda of Chicago, were guests of Mr. and Mrs. Roy Walker at a rabbit supper Saturday evening. Mrs. DeWitt, who had never eaten rabbit before, described it as a real taste treat.

The Freeman Fellowship of the Marley Community church surprised Mr. and Mrs. Roy Walker with a housewarming party Sunday evening. Hymns were sung and each member read a poem which expressed his individual feeling as to what a home stood for. The Walkers received many nice gifts. A pot luck supper was enjoyed by all. Those who participated were: Mr. and Mrs. Charles Sass and Larry; Mr. and Mrs. Francis Nelson, Rev. and Mrs. Herschel Aseltine and Teddy; Mr. and Mrs. Jim Tilly; Mr. and Mrs. Harwood Stellwagen, Betty, Joan, Jean, Mary Jane, Bobby and John; Russell Lauffer and Alma Charles, Jean and Mr. and Mrs. Garrett Cummins.

William Brown, Science instructor at the Orland-Palos high school will demonstrate some interesting science experiments as a special feature of the coming Hobby show, which is being sponsored by the Maue PTA. It will be held in the Maue school Wednesday evening April 14, starting at 8 o'clock. Hobbies will be classified either as collections or handicraft. Many more prizes will be offered this year. Each room will receive a first, second and third prize with a grand prize for the most outstanding hobby. It has also been decided

that every exhibit entered will receive an award. Prize winners of last year will be permitted to enter the same hobby again. Parents are asked to bring cookies for refreshments.

Under the instruction of Robert Laing of Orland Park, square dancing, sponsored by the Maue school PTA was again enjoyed Friday evening in the school. Mr. Laing, who gives freely of his time has promised another evening of instructions towards the end of April.

Mrs. Franklin Bunge, Spring Grove, Minn., spent several days this week with her sister and family. Rev. and Mrs. Erich Bizer. Other guests Sunday were Eleanor Bunge, Ruth Fruechte and Maria Myrah, all of Chicago.

Sunday dinner guests of Mr. and Mrs. Robert Fredin were Mr. and Mrs. Ralph Dralle and daughters.

Mr. and Mrs. Norbert Brockman and son of Monee spent Saturday evening with Mr. and Mrs. Lewis Rab.

Mr. and Mrs. William H. Bettenhausen were dinner guests of their son, Mr. and Mrs. Laverne Bettenhausen last Tuesday in honor of his birthday. They also called on Henry Bettenhausen, who is a medical patient in St. Joseph hospital.

Recent guests of Francis Gallagher, who is recuperating in his home after surgery, were Mr. and Mrs. Anton Groleski and Mrs. Lorraine Vail and family both of Monee; Mr. and Mrs. Wesley Hawryluk, of Peotone; Mr. and Mrs. Orville Stedt and family, of Beecher; Mr. and Mrs. Frank Townsend, Mr. and Mrs. Jerry Kestel both of New Lenox; Mr. and Mrs. Paul Audette, Lillian and Theresa Gallagher, Mr. and Mrs. Mike Gallagher, Mr. and Mrs. Gene Gallagher and family and Mr. and Mrs. Irvin Draves all of Manhattan; Mr. and Mrs. Joe Gallagher, of Dwight; Mr. and Mrs. Glenn Borden and family of New Lenox; Myrtle Mitchell and Dan Brown of Evergreen Park; the Jim Nolan family, the Clinton Marks, the John Reeds, the Albert Steinbergs, the Henry Kuses, and the Adam Heuser.

Saturday evening Mr. and Mrs. William H. Bettenhausen visited with Mr. and Mrs. Edward Schmidt in Manhattan.

The last pinocle party of the season given by the F-Men will be held Friday, April 9 in the Green Garden town hall, beginning at 8 p. m. Hosts will be Mr. and Mrs. Elmer Batson and Mr. and Mrs. Walter Minger.

Col. Leon Knickrehm, who returned to the states after serving with the armed forces for two years in Germany, received his discharge and is now spending some time calling on relatives in this vicinity. Last Thursday he spent the day with his aunt and uncle, Mr. and Mrs. Henry Smit, from where he went to see his grandparents, Mr. and Mrs. Charles Heuser in Peotone.

The public school will have a two day Easter vacation, Friday and Monday, April 19.

Mr. and Mrs. Arthur Sippel visited with Mrs. Minnie Weber Sunday afternoon. Mr. and Mrs. Maynard Werner and baby were guests also.

Mr. and Mrs. Ralph Betva are the parents of a baby girl, Gail Ann, born March 31 in Silver Cross hospital. She weighed eight pounds, four ounces and has one sister, Diane Lynn.

Mrs. Ralph Nagel is a medical patient in St. Mary's hospital, Kankakee.

Start Tax Hearing Plan Under New Assessment Law

(CNS) Immediate hearings on objections to 1953 real estate assessments have been started by the Cook county board of tax appeals. This is part of its task of doing two years' work in one under a new law.

H. Gordon Bollman, chief deputy county assessor, said the second part of the double task will begin rolling August 18 when notifications of hearings on 1954 real estate assessments for various townships will start being published. For the first time in 30 years, assessments will be corrected before the bills go out.

Under the two in one proceeding, any taxpayer upon receiving his 1953 bill, which should be any day now, may go to the third floor of the County building and object to the assessment. He will be granted a hearing before leaving the building. On completion of 1954 assessments, they will be announced and sent to taxpayers. The schedule calls for 10 days being allowed each township for objections, according to a progressive list of dates starting August 18 for 30 suburban townships and Sept. 27 for eight Chicago townships. The date for the last township, South Chicago is Nov. 5.

Hearings on these will also be immediate, except in multiple complaints by one taxpayer. Dates are tentative except that the 1954 bills must be out by March 31, 1955, in order that the first installment penalty date may remain May 1.

The new law, passed in 1951 but not effective until this year in order not to interfere with the quadrennial re-assessment, provides 10 days after notice is published for filing complaints. When the hearing of assess-

ment objections prior to tax billing was tried in 1928-30, an unexpected volume of complaints held up the issuing of bills for months. It is hoped the streamlined hearings will not encourage filings so the penalty date will again have to be changed. Purpose of the new law is to allow taxing bodies to know more accurately what revenues they may expect before the money is spent.

Bollman pointed out that the only complaints on which the board of tax appeals can act are those concerned with assessments. Higher bills may also result from a higher appropriation by local taxing bodies, such as for a new school by a school district, which brings a higher tax rate to bear without the assessment being increased.

Rate objections, attacking the validity of the appropriations rather than the assessment, may still be filed in County court by lawyers after bills are received.

The amount of assessment appears on each tax bill together with the total tax, and should be compared with the assessment on prior bills to determine if there has been an increase, Bollman said.

Plans Made for New Catholic Hi School

Executive committees and other prominent laymen of the 27 parishes participating in the Catholic High School Expansion campaign met with the Most Rev. Martin D. McNamara, D. D., Bishop, Diocese of Joliet, at dinner in Cantigny hall, April 6 and discussed final plans for the effort which is to raise funds for a new girls' academy and proposed additions to the present facilities of Catholic Boys High school.

Location of the new girls' school will be at Larkin road and Ingalls avenue, Joliet, the Chancery office of the Joliet Diocese announced. The school will be erected on property already owned by the teaching or

der of St. Francis of Mary Immaculate which will staff the institution.

Christian Science Churches.
How sickness and disability may be overcome by bringing thinking into accord with the truth of God and man through prayer will be the topic of Christian Science services Sunday.

"Are Sin, Disease, and Death Real?" is the subject of the lesson sermon. Selections to be read from the Bible include the account of Christ Jesus' raising of Jairus' daughter from the dead, his restoring of sight to the two blind men, and his healing of the "dumb man possessed with a devil."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read:

"Jesus strips all disguise from error, when his teachings are fully understood. By parable and argument he explains the impossibility of good producing evil; and he also scientifically demonstrates this great fact, proving by what are wrongly called miracles that sin, sickness, and death are beliefs -- illusive errors -- which he could and did destroy." The Golden Text is from Jeremiah:

Heal me, O Lord, and I shall be healed; save me and I shall be saved; for thou art my praise."
